Hack The Web – Minecraft

In this challenge, we're told to identify an object from the Minecraft game

HTW – Minecraft - OSINT

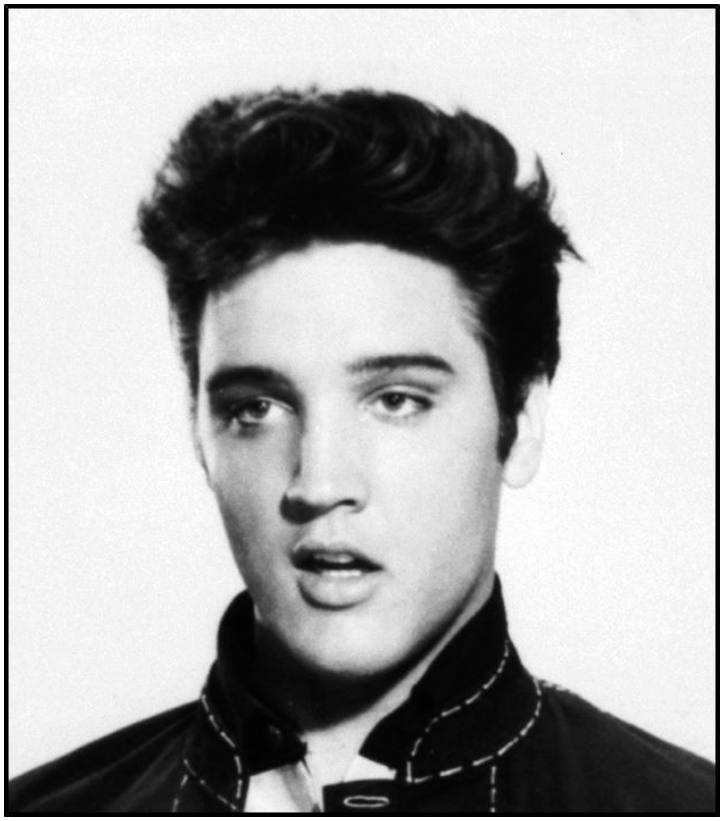
If we didn't know anything about Minecraft, we can use OSINT to research the answer

What is OSINT?

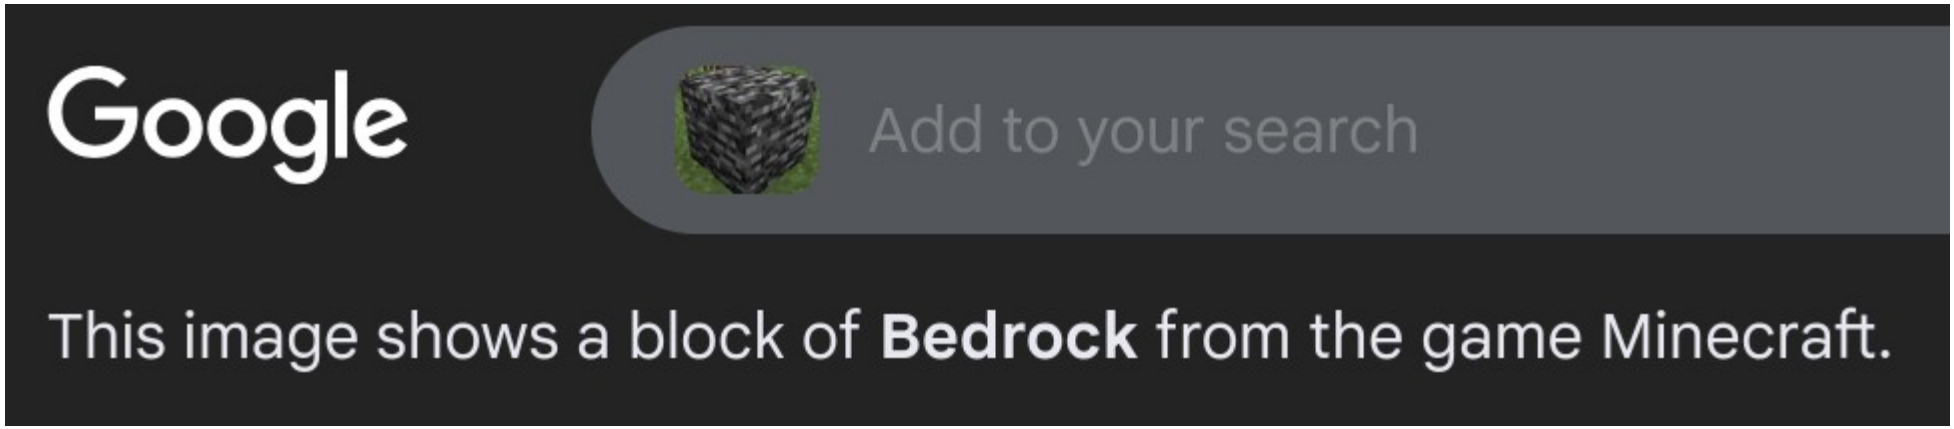
OSINT stands for (O)pen (S)ource (INT)elligence, and it is the act of learning about a subject through publicly available information sources

What is OSINT?

For example, if we want to use OSINT to learn about Elvis Presley, we could search online, read books written about him, listen to his music – any public source of information could be considered a valid source in OSINT



HTW – Minecraft – Reverse Image Search



In this case, we can use a reverse image search tool to identify what the name of this Minecraft block is

HTW – Minecraft – Reverse Image Search

Then search for the block ID number of the block name
