Where Has TheShyHat Been?

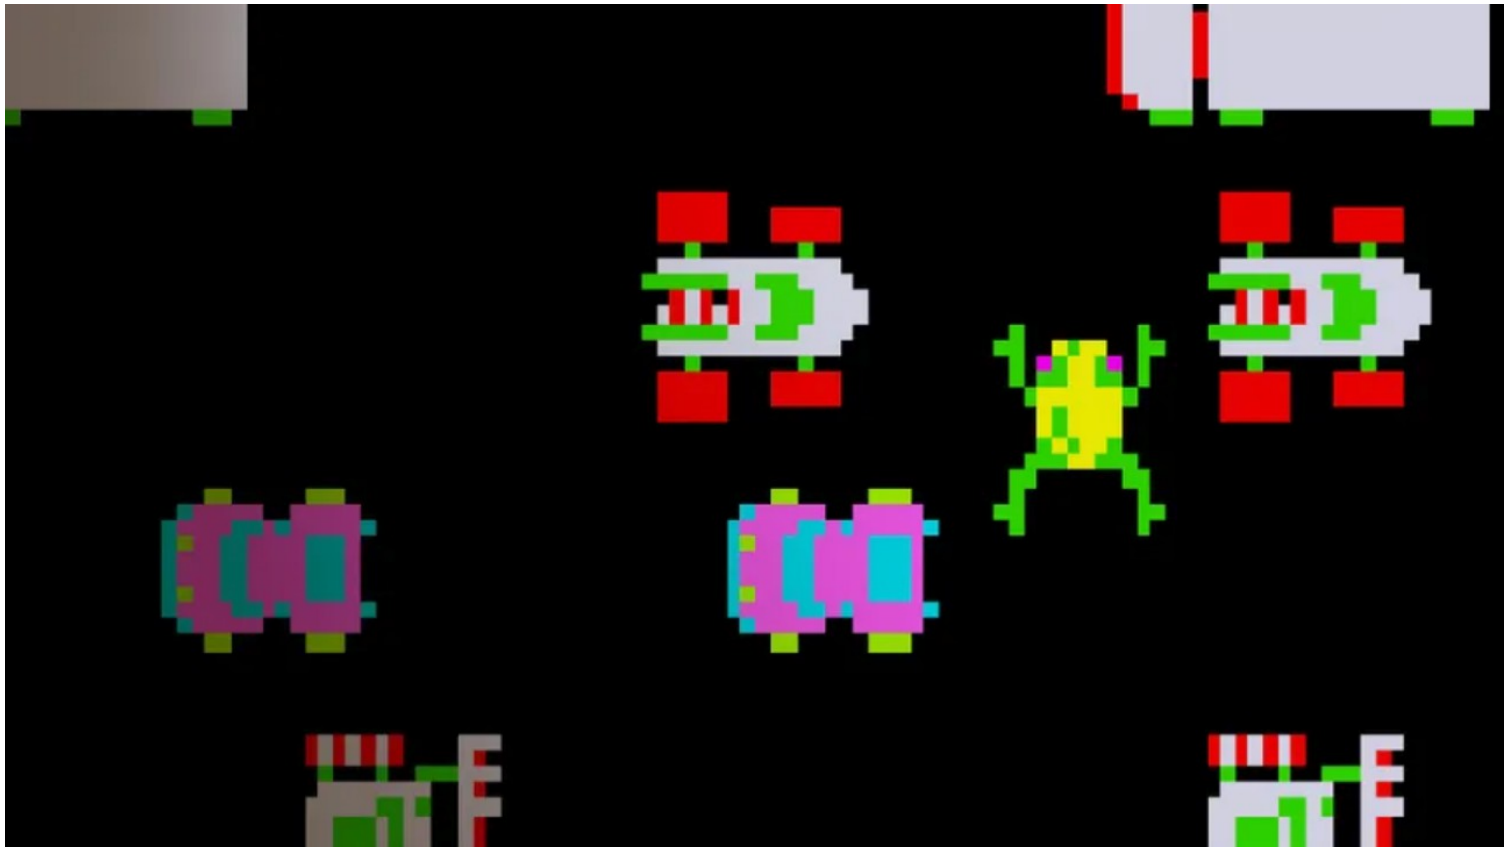

Rumours of my death have been greatly exaggerated

Where Has TheShyHat Been?

I was taking care of personal issues during the first week of my hiatus, but during the second week...

Where Has TheShyHat Been?

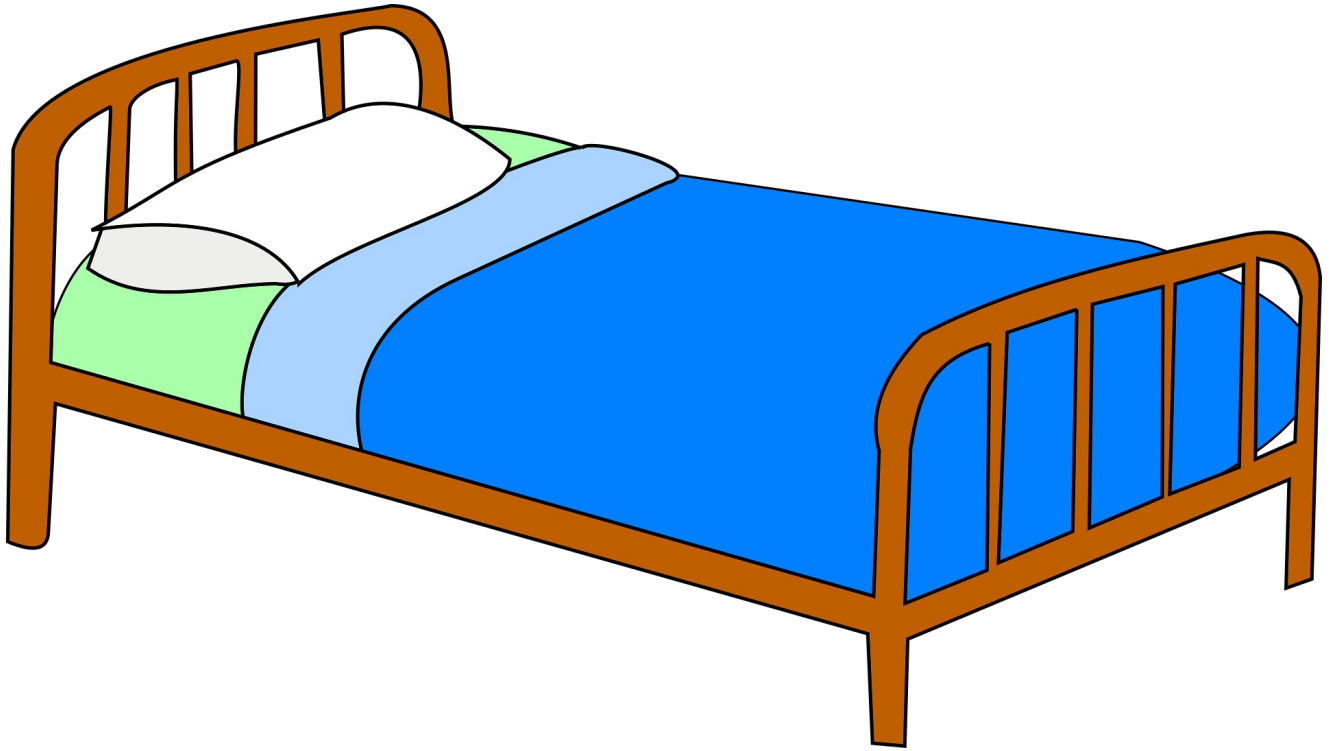

I played and lost a real-life game of Frogger, and got run down by a car that ignored a Stop sign

Where Has TheShyHat Been?

The accident left me with a back injury, but I was lucky, it could have easily been a lot worse

Where Has TheShyHat Been?

I've been recovering for the last three weeks or so, and I've mostly recovered

Where Has TheShyHat Been?

The good news about being stuck inside recovering from an accident is that I've had a lot of time to work on improvements for the livestream

Where Has TheShyHat Been?

And so I'm proud to announce our ambitious new plans for the HackerFrogs livestreams

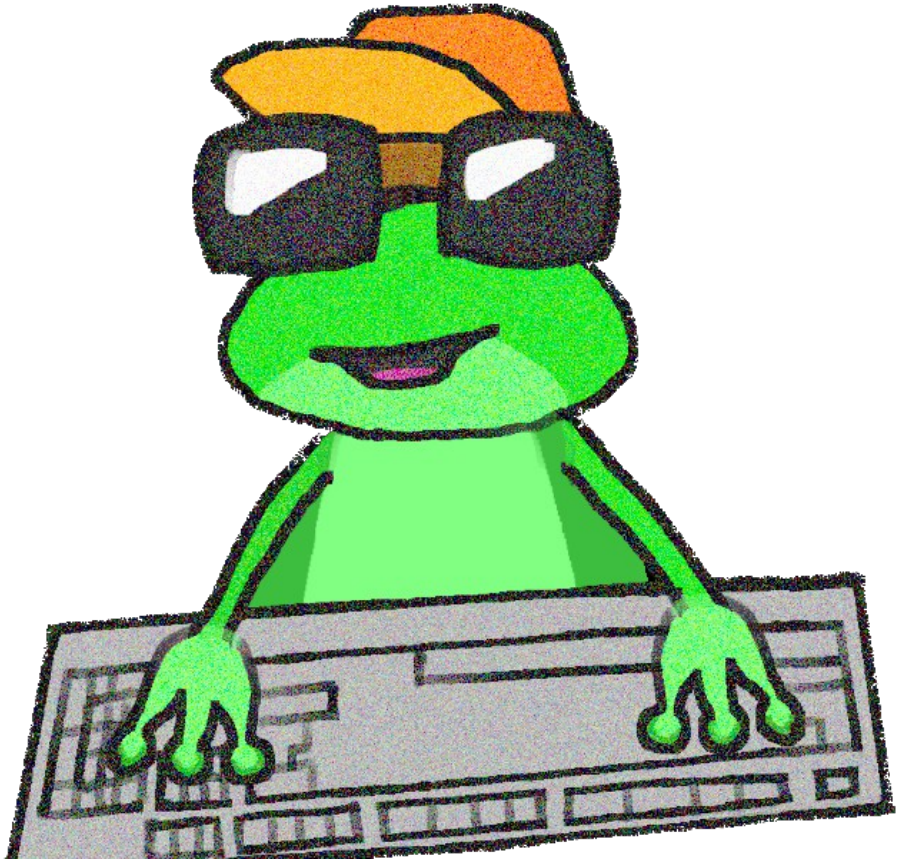

HackerFrogs Livestreams v2.0
Phase 1 - The Avatar Update

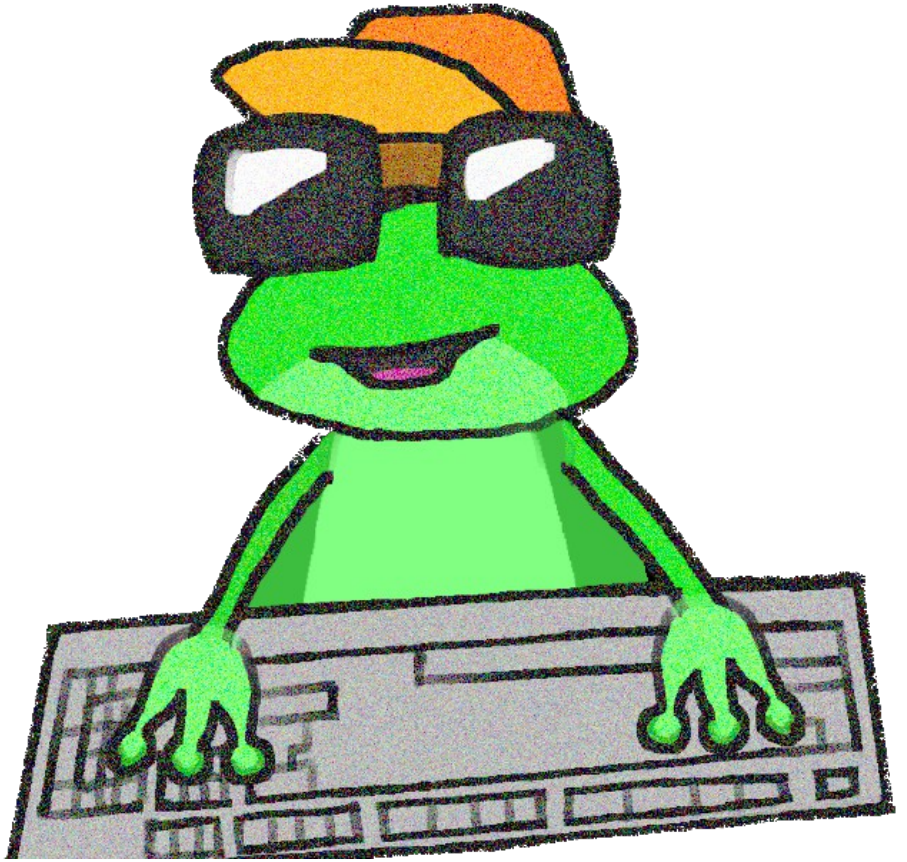

HackerFrogs Livestreams v2.0
Phase 1 - The Avatar Update

For the past two years I've been using a PNG model that animates when I talk

HackerFrogs Livestreams v2.0
Phase 1 - The Avatar Update

It's a nice avatar,
but it's limited in what
it can do

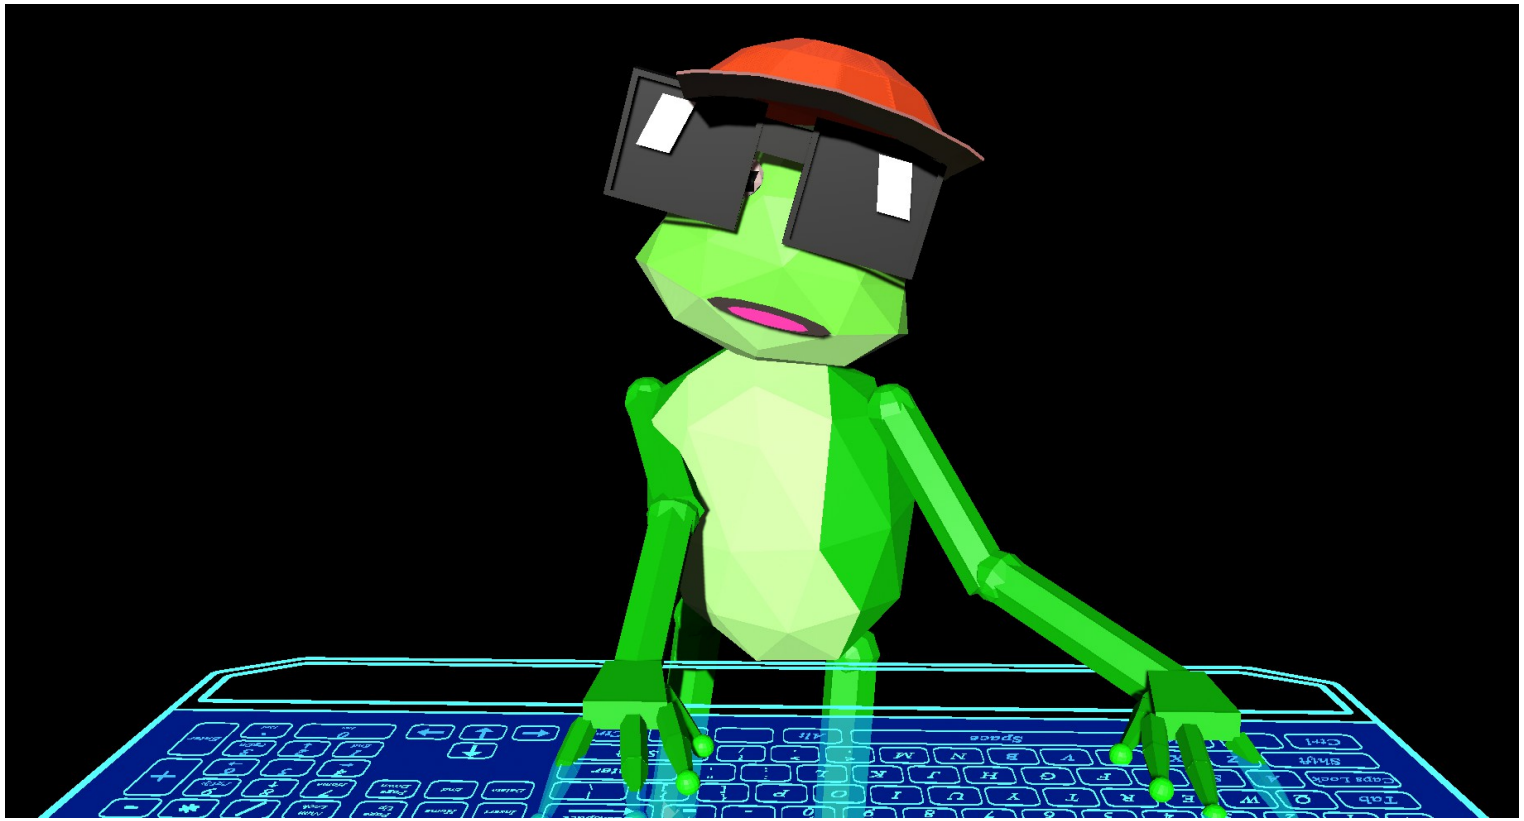

HackerFrogs Livestreams v2.0
Phase 1 - The Avatar Update

So I taught myself the basics of using Blender, a free 3D modeling program, and built myself...

HackerFrogs Livestreams v2.0
Phase 1 - The Avatar Update

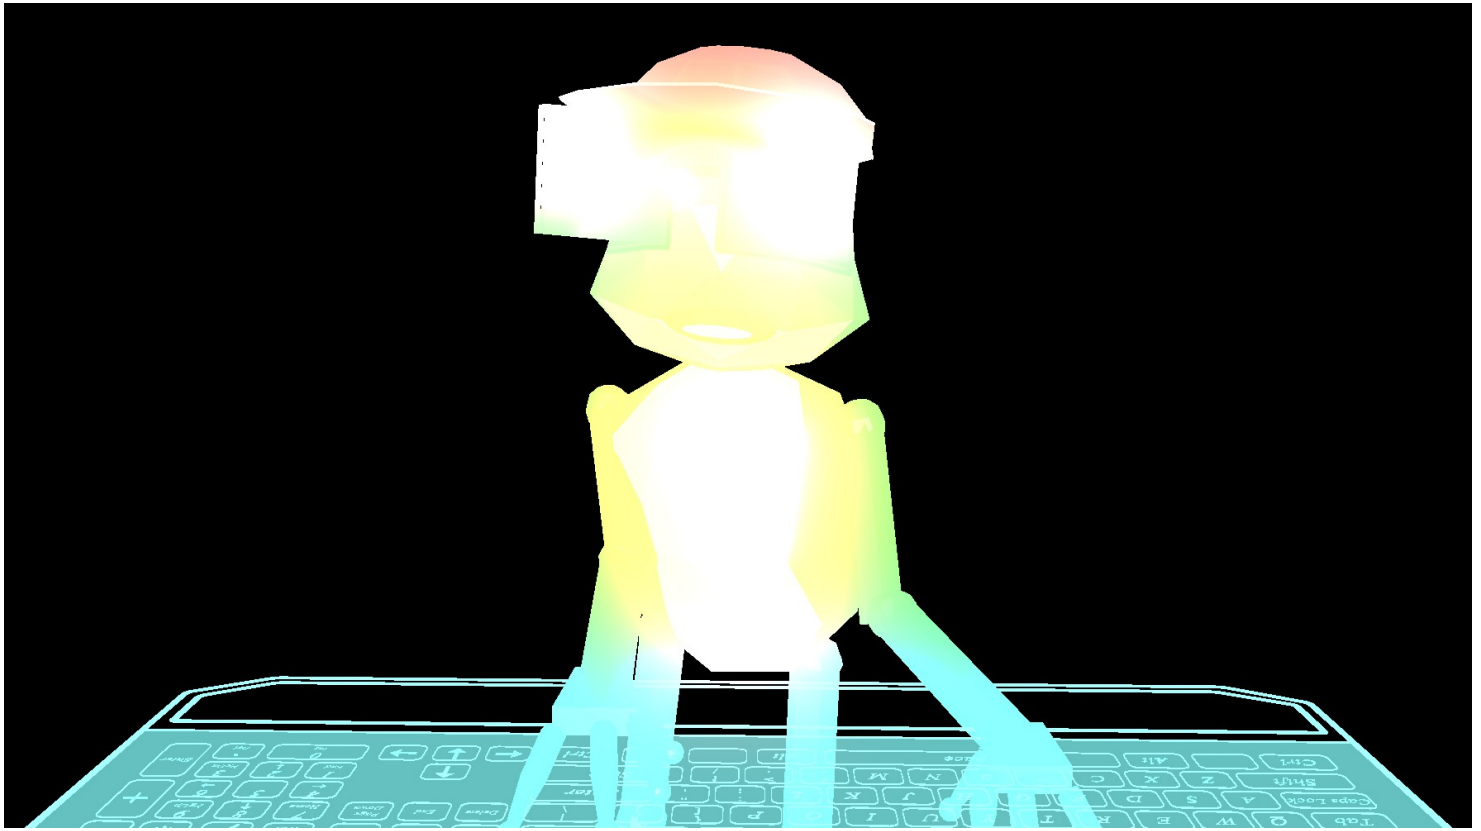

A simple 3D model that can be used for livestreams going forward, with motion tracking, lip synching, and interactive features

3D Model Redeems - FrogCoins

We have a lot of cosmetic changes we can adjust on the model using Streamlabs loyalty points, called FrogCoins (FC)

3D Model Redeem - Flashbang

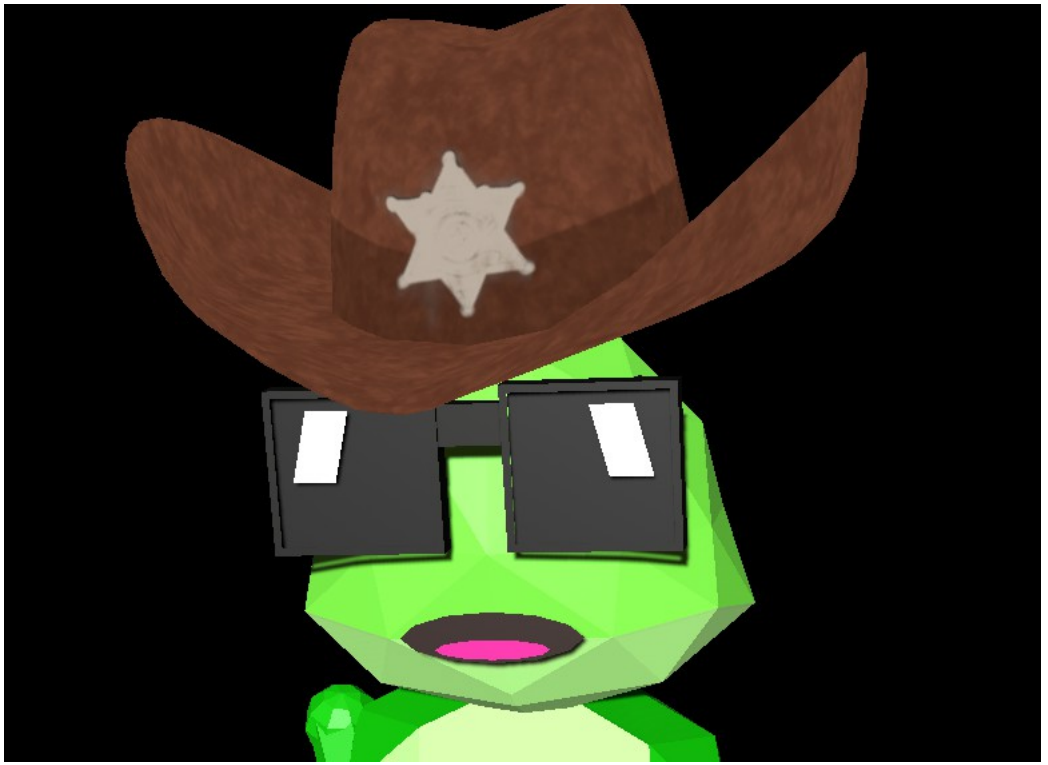

The Flashbang redeem can be activated with ! redeem flashbang, costs 20 FC, and can be redeemed once every 3 minutes

3D Model Redeem - Pixelate

The pixelate redeem can be activated with ! redeem pixelate, costs 20 FC, and can be redeemed once every 3 minutes

3D Model Redeem – Hat Roulette

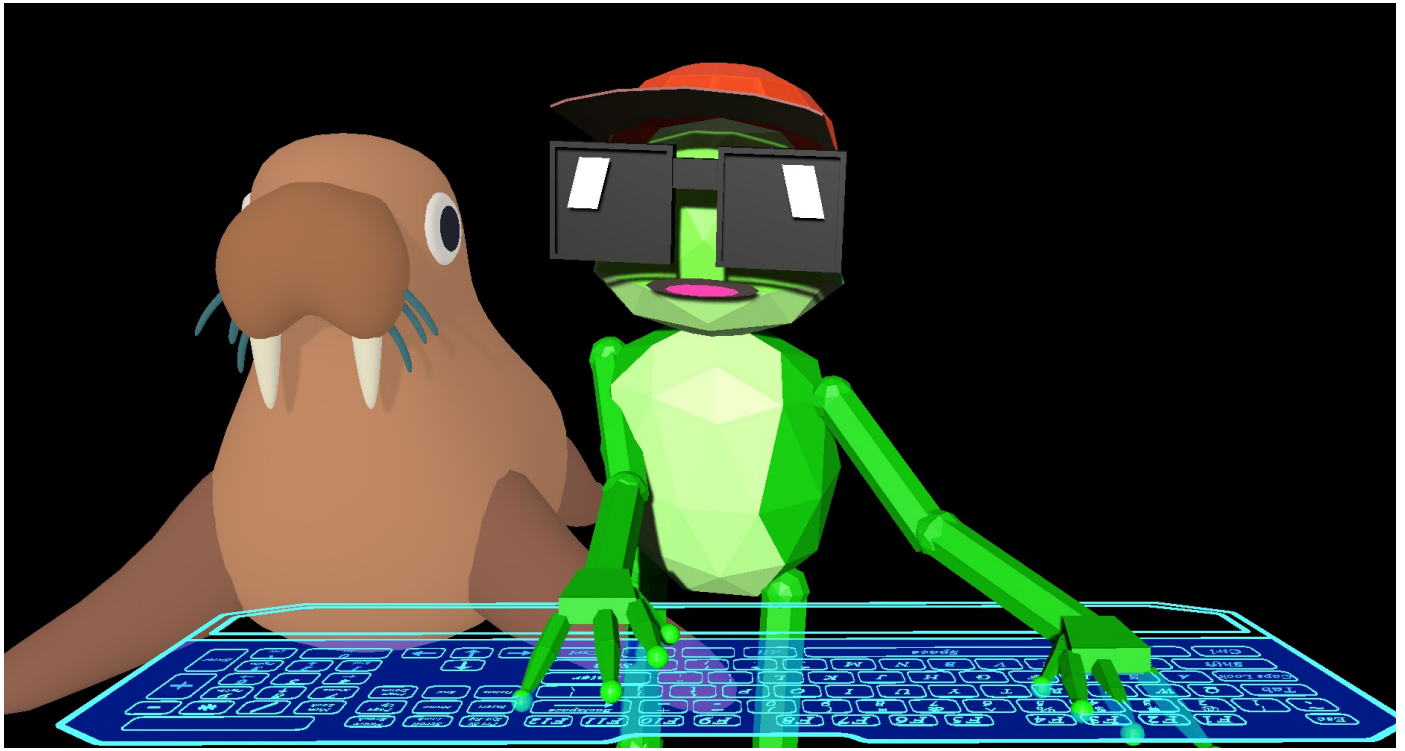

The Hat Roulette redeem can be activated with ! redeem hat_roulette, costs 10 FC, and can be redeemed once every 2 minutes

3D Model Redeem – Glasses Roulette

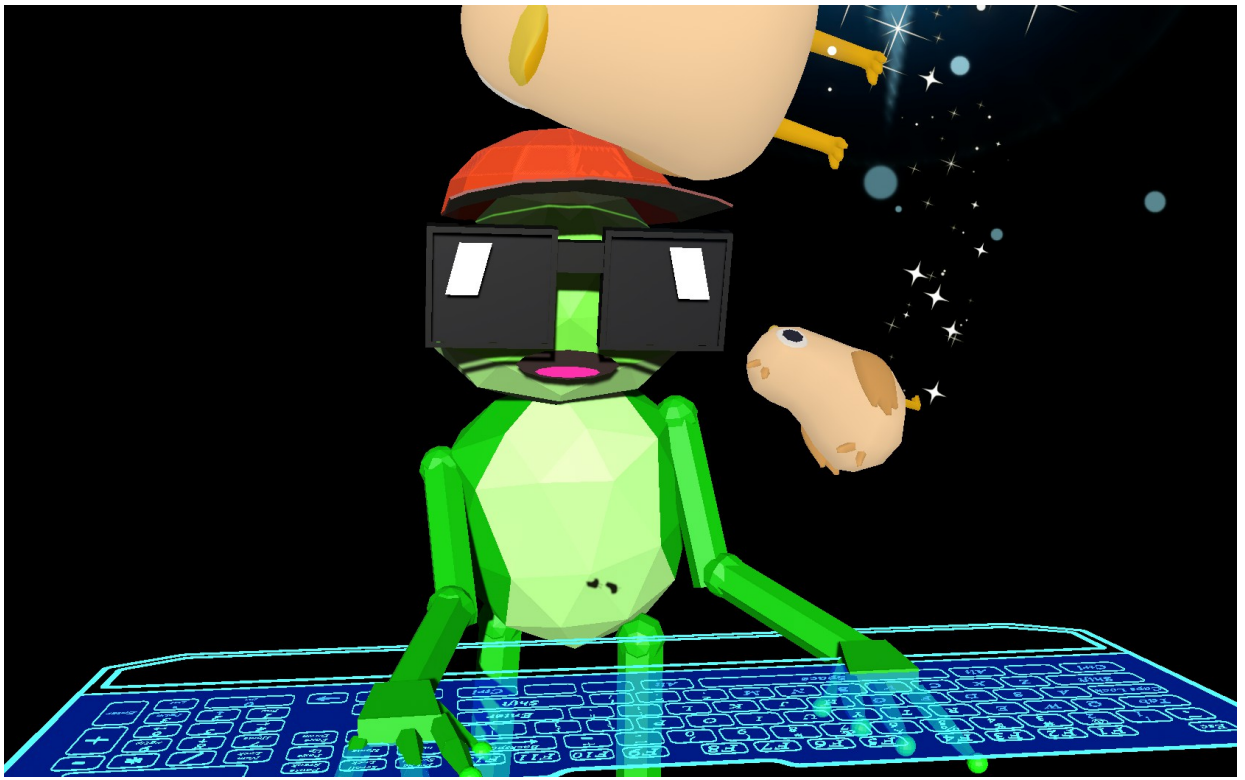

The Glasses Roulette redeem can be activated with !redeem glasses_roulette, costs 10 FC, and can be redeemed once every 2 minutes

3D Model Redeem
Mascot Roulette

The Mascot Roulette redeem can be activated with !redeem mascot_roulette, costs 25 FC, and can be redeemed once every 5 minutes

3D Model Redeem - Throw

The Throw redeem can be activated with ! redeem throw, costs 10 FC, and can be redeemed without limits

3D Model Redeem – Sub Alert

We have a special animation that plays when Twitch viewers subscribe or when YouTube viewers join channel membership

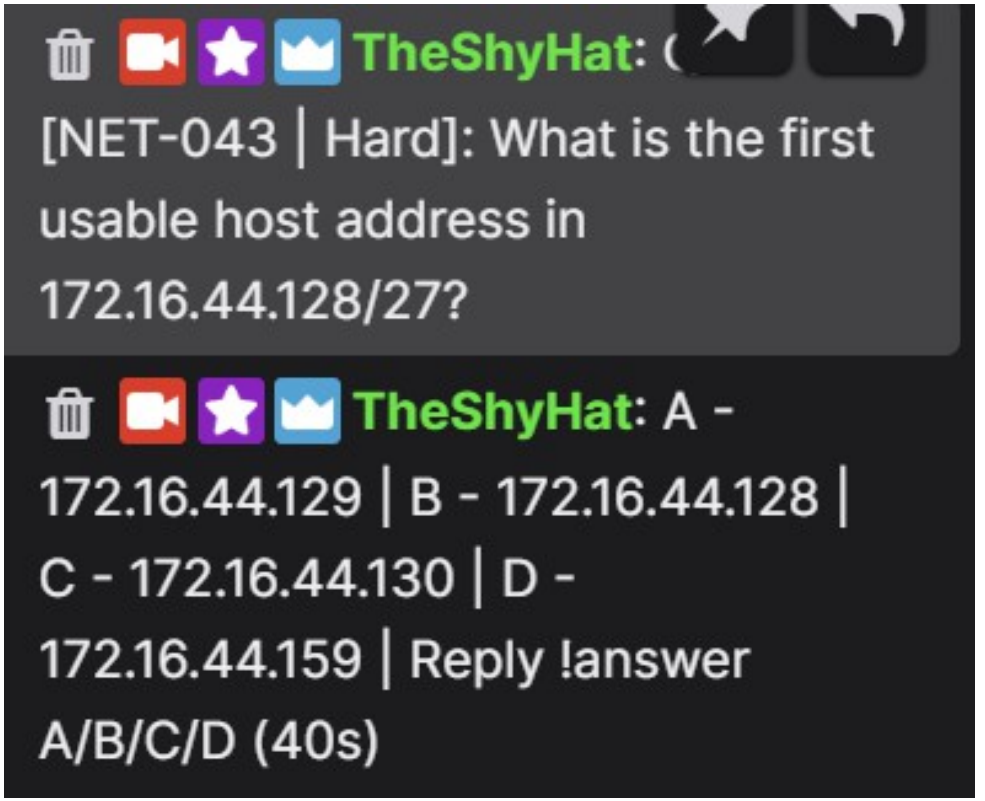

3D Model Redeem – Ambush

And we have a special animation that plays when Twitch viewers cheer a special number of bits or when YouTube viewers buy an Aura Farming Super Sticker

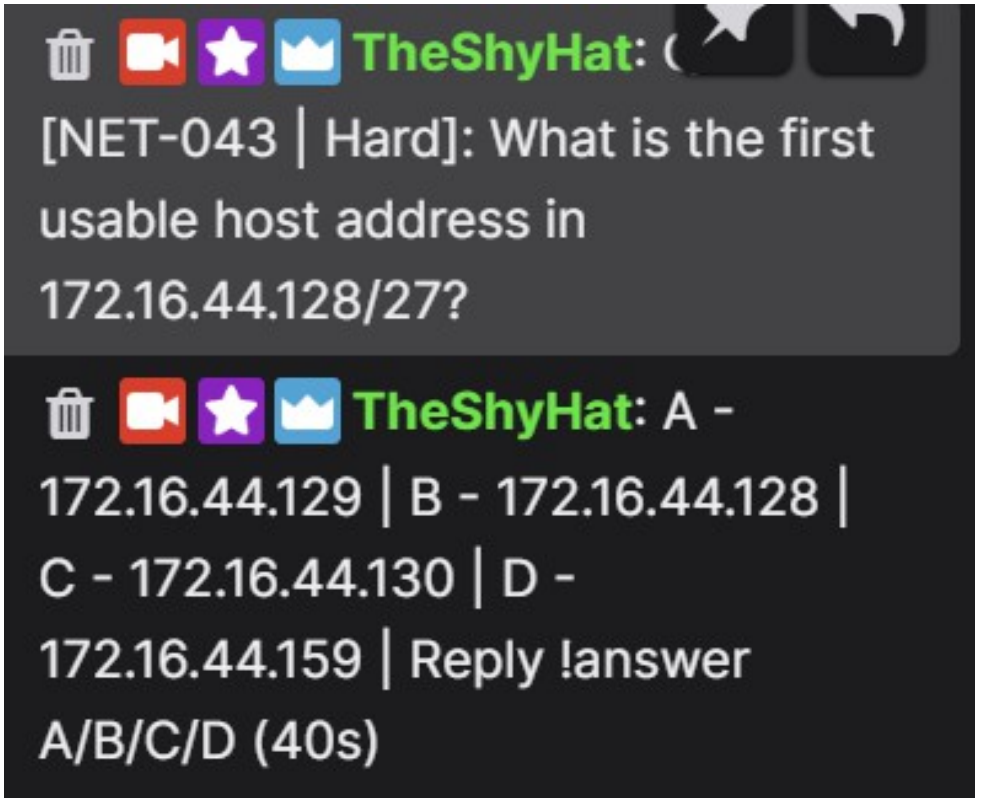

Quiz System – Earn FrogCoins

We are also rolling out an in-chat system where you can answer quiz questions and earn FrogCoins for each correct question answered

Quiz System – Earn FrogCoins

Quiz functions are currently available to Twitch users only, but we're testing for YouTube compatibility now

QOL (Quality of Life) Improvements
Automated Ad Break Videos

We now play our ad break videos automatically when Twitch ads run, so we'll never (?) miss important moments or explanations due to ads
