Hack the Web - Suspicious

Hey!

Looking for your answer? To get the 5-letter word you need, all you have to do is send me 1337€ to this account. Easy, right?

What are you waiting for? The word won't find itself! It rhymes with "wine". Click here and transfer the money, and you'll get the answer right away.

Psst, special offer! I'll give you the first two letters for free (they are S, W), and I'll even knock off 50% — then I'll spill the answer. Send the money now!

This challenge wants us to enter a 5-letter word as the answer
